

Cover Teacher - Full time (although part-time will be considered), Fixed Term contract until 17th July 2025.

Pay Scale Range - Unqualified teacher pay scale, point 2 (£28,252) (Outer London)

We are looking for a high calibre Cover Teacher to support our students across the curriculum. This a great role for some looking to get into teaching so that they can develop their skills and benefit from training in our school.

St Andrew is a school where all students are known and cared for. Our students appreciate being taught well and enjoy their learning; they do best when they are taught or supported by someone who knows them, and they respond well to those in our cover team. This feeds into our GCSE results that are consistently strong with whole school Progress 8 of + 0.4 in 2024. Student and staff feedback on all aspects of our school is consistently good.

If you are confident that you can support our students, we would welcome an application from you.

Closing date for applications: 13 January 2025 at 9.00am.
