Dear Parents and Carers,

Re: New building update and our Brunswick Park entrance

I am writing to inform you of a necessary change regarding the access to our school premises that will take effect from **Wednesday 4 September 2024**.

Due to the ongoing construction of our new school building, it has become necessary to extend the barriers of the construction site. As a result, the school entrance via Brunswick Road will no longer be available. This measure is essential to ensure the safety and security of our students, staff, and visitors, to facilitate the completion of the construction project, and to maximise the possible space for our all-purpose weather pitch.

From **Wednesday 4 September 2024**, the only entrance to the school building will be via the main entrance of the North London Business Park. You can use either Brunswick Crescent or Brunswick Avenue to reach this entrance. A map illustrating the route to the school is provided below for your convenience.

We understand that this change may cause some inconvenience, and we sincerely apologise for any disruption to your daily routine. Please rest assured that we have made this decision in the best interests of our school community.

Thank you for your understanding and cooperation.

Yours sincerely,

Dr Philip Hills

Headteacher
