

Headteacher's Update

Be kind to one another, forgiving one another, as God forgave you. Ephesians 4:32 07 October 2022

Key Message from Executive Headteacher

It is Black History Month, which gives us in school a chance to celebrate and honour often overlooked accomplishments of Black Britons in all areas of endeavour throughout our history. We are threading events through our curriculum during this event, but we are conscious that recognising and highlighting diversity in our curriculum is not just for one month or on a given day.

My role models growing up were sporting stars, and one of the reasons I stopped attending football matches in the late 1970s and early 1980s was the racist abuse that I witnessed, which was aimed towards one of my favourite players, Vince Hilaire, by opposition supporters. Sport has changed and society has changed since then, but we must strive to do more to ensure that these attitudes never resurface and continue to enhance our curriculum such that our learners know and understand their place in the world and are accepting of others. In our diverse North London comprehensive the faith values we teach help our community learn and grow together.

Our week at school has been exciting. We now see the Brunswick Park Road from through the mesh fences at the edge of our playground as clearance work for our new site hits full swing; we can see diggers prepare the

ground for what will be the site of our new building! It will be thrilling to watch our new school rise in front of us.

I would like to thank all parents who have read our letters and previous newsletters regarding travel to and from school, and to those I have spoken with, for changing their dropping off and picking up routines. We are finding a daily rhythm with having just one entrance, which is working well. Thank you to those parents who are employing 'ride and stride', meaning dropping off a few streets away from the school. This really helps. One thing to bear in mind when dropping off or picking up in the local area is the impact on our neighbours. Please avoid blocking driveways or parking on double yellow lines when dropping off as this adds to congestion in the local areas. Thank you for your consideration of this.

This week . . . the myriad of sporting fixtures and other sports clubs after school have benefitted from the still warm autumn weather; Year 11s are hitting their stride with after school targeted intervention sessions; the focus in our sixth form study area is fantastic; and we

have had yet more primary parents tour our school as they finalise their transition decisions.

We look forward to seeing parents of our Year 13 students online next week for their last parents evening.

I will end with a thank you to our Heads of Year in Key Stages 3 and 4, who are establishing the culture and setting the tone in their year groups this year in the first term. Mrs Nelson (Head of Year 7 and 8), Ms Walt (Head of Year 9 and 10) and Mr Francis (Head of Year 11) embody our ethos of knowing and caring for each child.

Best wishes for a lovely weekend,

Anthony Easton (Executive Headteacher)

Faith- πίστις

How is Jesus the Strength of God?

Jesus embodies the wonderful gifts of power, leadership, accomplishment, problem solving and goal achievement. These gifts are called Gifts of Strength. Jesus is powerful. The wind, waves, animals and demons

were at His command. Nothing could overpower Jesus if He didn't allow it to. Jesus is a great leader.

In just 3 short years He took 12 unlikely, untrained men; trained them and left them. Over 2000 years have passed, and their teachings and traditions are still changing people's lives. Jesus accomplished a lot with His high energy. The bible says that if they wrote down everything that Jesus did in His life, the entire world couldn't hold all the books.

Jesus was a problem solver. There was no problem that was too tough for Jesus. People would stand in line all day long just to have Jesus solve their problems. He did that through the use of miracles. Jesus was a high achiever. The oldest part of the bible, the Old Testament, contains many goals for Jesus to accomplish. We call them prophecies. Jesus accomplished every single one of those goals, down to the last detail. When He was done, He declared, "It is finished." Jesus is the Strength of God.

"My strength is made perfect in weakness." (2 Corinthians 12:8)

Whether it's a mean comment or act of violence, why is it so easy to hurt people? And why should we care? We are all afraid of being weak and will often hurt others to feel strong. Yet Jesus showed us that true strength often involves being weak: this is the way of love and the cross.

Jesus Christ is a unique person. He is the only perfect human being ever born. He is the exact representation of God, God with skin on. He is the only Son of God, and before He was born as a man, He existed as the "Word of God". It's hard for us to picture exactly what that means. So, let's just focus on His humanity. We know humans, and we have lots of information about the human Jesus. Let's answer the question, "Who is this Jesus I am supposed to love?"

Jesus has gifts of love, acceptance, creativity, storytelling, influence, excitement, and popularity. These gifts are called the Gifts of the Heart. Jesus loves all people and sees the wonderful potential of every person. He loved all kinds of people when He lived on earth, even tax gatherers and prostitutes; the kinds of people that the religious rulers of the day wouldn't be caught dead with. Jesus went to their homes and had meals with them!

Mr M Vassiliou (STA Spiritual Director)

Dropping off and picking up students

Dear Parents/Carers,

Dropping off and picking up students – St Andrew the Apostle School

Thank you to all parents for working with us on the new dropping off and pick up arrangements following the closure of the Brunswick Park Road entrance to the North London Business Park. Thank you, also, to those parents who have made the choice to drop off and pick up off site as this reduces traffic and makes the site safer for St Andrew the Apostle students.

The owners of the North London Business Park are, however, concerned about the number of cars on site and being parked in both the disabled bays and on double yellow lines. They have asked me to write to all parents regarding this. As we get used to the new routines, parking enforcement has been lenient, but from Monday 3 October 2022, we ask that you only access the Business Park from 2.55pm to 3.20pm for the afternoon pick up. At this time, please avoid parking on the double yellow lines or in the aforementioned disabled parking bays. Drivers who park in these areas or outside these times may receive a parking ticket.

Please refer to the map overleaf. Parents/carers can use the parking bays at the front of the multi-storey car park; if these are full, parents and carers should queue around the multi-storey car park. If you reach the front of the queue and you have not collected your child, you will have to re-join the queue.

Parents are also able to park on the ground floor of the multi-storey car park to wait for their child if they display a valid ticket.

To summarise:

- Please pick up or drop off off-site.

If on site

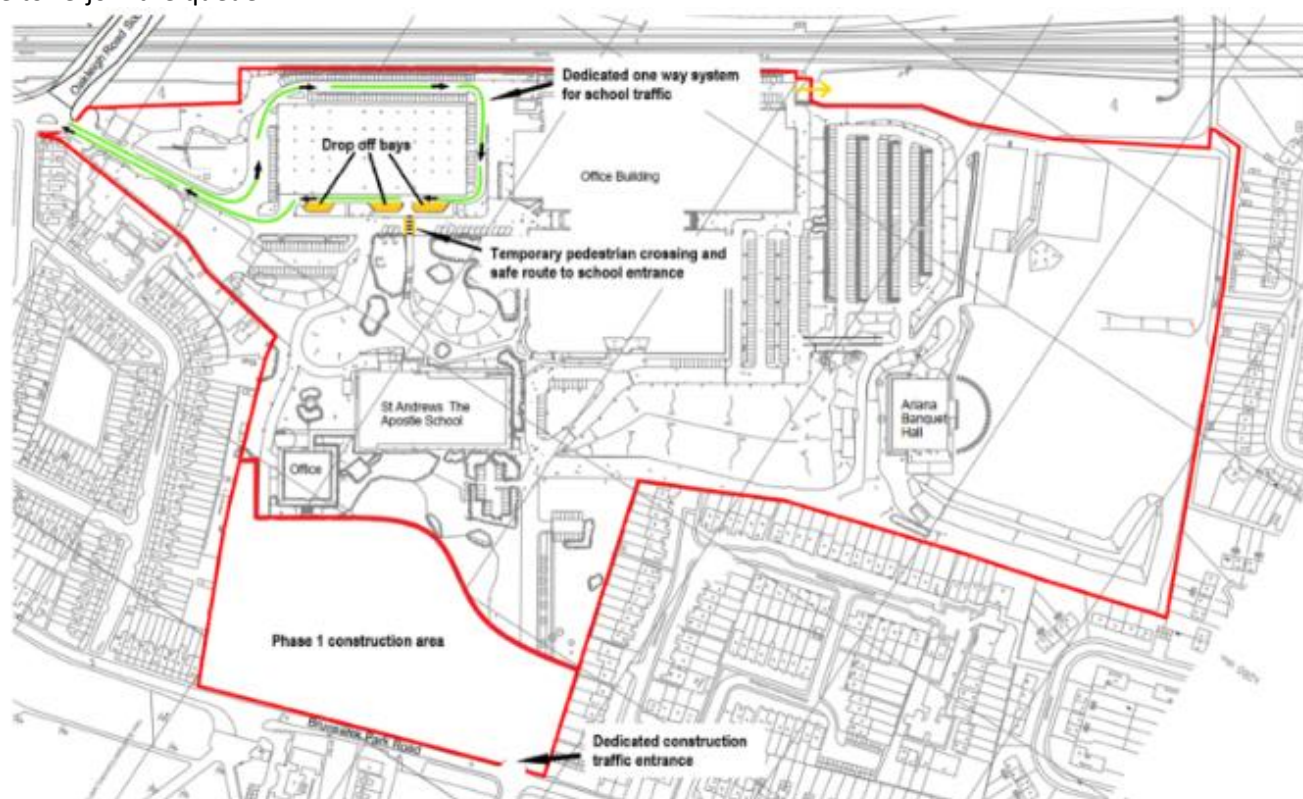

- Please do not park in disabled bays.
- Please do not park on double yellow lines.
- Please park in bays in front of the multi-storey car park.
- Please queue around the multi-storey car park.
- Please do not arrive before 2.55pm and leave before 3.20pm.

Thank you again for your continued support. We are hoping that pedestrian access via the Brunswick Park Road entrance will be open in approximately 12 weeks. This will help to ease traffic significantly. Your patience with the current situation is greatly appreciated.

It is wonderful to hear and see the work that has started on the site of our new school building, which we will be moving into during the academic year starting September 2024.

If you have any questions, regarding the changes mentioned above, please contact the school through the usual channels.

Anthony Easton (Executive Headteacher)

Staff Notice: New Members of Staff

I have nearly two decades of teaching experience delivering religious education mostly in inner city schools spread across four London boroughs.

My academic interest is quite broad, but I have a background in Philosophy and a life-long interest in existentialism. Joining STA offers me the opportunity to come back to teaching in a faith school where students' ability to reflect on and contribute to their own learning is valued and promoted. In taking on additional responsibilities as PSHE & Careers lead, I'm excited to work with other colleagues to impact the lives and future of our young people positively.

Mr P Iberi (Head of Religious Studies)

Sporting Success

The Year 9 football side stole the headlines last week beating Friern Barnet 5-0. Goals were scored by Luca S, Petar B x2, Angel M and Kaine K. Kyros L captained the new look side and was awarded the player of the match award. In other results, the senior side lost a competitive opening fixture against Compton 2-0, Sammy S was awarded the player of the match award. The Year 7 side lost their first ever match, however, enjoyed representing the school and working together as a team.

A huge congratulations to Year 8 student Natalie S who has been chosen to represent the Year 8 girls Barnet district football team, after a successful trial. Natalie represented the district side in their first game on Saturday 1st October. The side won 2-0 against a strong Brent team.

Older Brother and former student Alex S represented the Cyprus national football side in the recent round of international fixtures after an impressive season playing professionally in Sweden. Well done to both Natalie and Alex from everyone at St Andrew the Apostle.

Mr R Browell (Head of Physical Education)
Upcoming live broadcasts - free from Speakers for Schools: Black History Month

- **Tuesday 11 October 2-2:45pm**

Discover Economics for students aged 14+

Speakers for Schools and Discover Economics are partnering together for an online broadcast as part of Black History Month.

We will hear from Veronica Masubo, Research Manager at Gatsby Africa in Tanzania. She is also a Board Member of the AfCFTA Youth Forum, Contributor of Future African Forum (FAF) and Public Policy Initiative Africa and a committee member of The Black Economist Network (TBEN) and Tina Fahm, Economist.

The event will seek to help young people across the UK to find out more about Economics, demystify some common misconceptions and discuss how the sector is looking to be more diverse.

Bromcom Student Portal Issue

There is a known national issue with the Student Portal website and the Bromcom service team are working on this. The Student Portal app remains unaffected and accessible for homework assignments.

The Student Portal app can be downloaded on all Smart Devices through the App Store or Google Play Store.

Year 12 Settling In Evening

The Sixth Form Pastoral team were delighted to welcome Year 12 students and their parents for an informative Settling in Evening. Ms Fourcade celebrated the recent our students' recent successes, both at GCSE and A level, and shared our last cohort of Year 13 students' inspirational destinations. Parents and students were reminded of expectations and of the support that is available to all, to enable our students to reach their full potential, both academically and in their personal lives.

Our Sixth Form Student Leadership Team shared their own experience of their 7-year journey from Year 7 to Year 13 and emphasised the importance of personal relationships as a true highlight and catalyst to their achievements.

Ms Koveri inspired our students and families with exciting opportunities, which are available to all students, for higher education including Oxbridge Outreach, enrichment and apprenticeships. Parents appreciated the opportunity to exchange with others and to meet the team.

If you were unable to attend or would like to access the information again, please [click here](#) for the full presentation.

You can contact the Sixth Form team directly to answer your questions: sixthform@standrewtheapostle.org.uk

Barnet Options and Careers Evening

South 0-19 Hub
Invites you to our:

Partnership Together Open Evening

i
Date: 2 November 2022
Time: 3pm - 6pm
Venue: Parkfield Children Centre 44 Park Road, NW4 3PS

“
Fun filled activities for all ages, information for families, refreshments, and a chance to find out about all the services we offer.

“
Come and find out what organisations can support and expand your resources

FAMILY FRIENDLY BARNET

BARNET
LONDON BOROUGH

By bus
Buses 143, 183 and 326 provide a direct service from the main entrance to Archway, Golders Green and Barnet. These services also provide links to Brent Cross Shopping Centre, Hendon Central Underground and Hendon rail stations.

By underground
Hendon Central station (Northern Line, Edgware branch) is only 30 minutes away from Central London. The walk from the station to Hendon Campus takes approximately 10 minutes. Turn right out of the station, walk up the road to the main junction and then turn right into The Burroughs. As you approach the campus, the Hendon Town Hall and Library are located on the left. Cross the road here and continue past the fire station and you will shortly arrive at the main entrance.

By car
From the North: Leave the M1 at Junction 2 for the A1 south. Turn right at the 2nd set of traffic lights onto the A504 (Finchley Lane). Continue through the next set of traffic lights.
From the A406 (North Circular): Westbound: Take the A1 at Henlys Corner. Turn left at the 1st set of traffic lights onto the A504 (Finchley Lane). Continue through the next set of traffic lights. Eastbound: Take the A41 (Hendon Way) north at the Brent Cross Interchange. Turn right at the 2nd set of traffic lights. Parking is provided for staff and pre-arranged visitors only.

Accessibility
Hendon Central Underground Station and Middlesex University Hendon Campus are both fully accessible. We advise that you arrive via the main entrance. Steps, pathways and building entrances are displayed on the campus map. Alternative routes and entrances are clearly signposted on site.

By rail
From Hendon rail station - catch the 183 bus from Station Road directly to the main entrance.

Come along to: The College Building, Middlesex University, The Burroughs, Hendon, London, NW4 4BT

Flu vaccination campaign for years 7, 8 and 9

The NHS has written to schools to update them on changes to the national flu vaccination programme. Please see the contents of their letter below: We have recently been informed that the flu programme will now include the school years 7, 8 and 9 from September this year.

Early information from the flu season in Australia, shows flu has been circulating earlier than expected and has been affecting younger age groups, therefore DHSC has taken steps to include these age groups in the 2022/23 vaccination campaign. Sessions for flu vaccination have already been planned and confirmed for primary schools so providers will be working with you to arrange additional dates to ensure vaccination can be offered to your students. It is likely that this will be from November onward once additional vaccine supply is available.

We would be very grateful if you could remind parents that their children are entitled to free flu vaccination on the NHS. This vaccine will be provided by a school aged vaccination team that visits the school and is given as a nasal spray. This form of the vaccine is very easy to administer and is especially well suited to preventing onward spread of infection.

The vaccine protects the child against the four main strains of influenza predicted to be in circulation this winter. Young children catch influenza very easily. Children can spread the infection for up to 7 days, which is longer than in adults, therefore vaccinating children reduces the risk of influenza for family members, teaching staff and other children.

Barnet Options and Careers Evening

at **Middlesex University**, a one stop shop to learn all about education, training and employment opportunities open to you.

Wednesday 19 October from 4:30pm-7:00pm
GCSE Options Presentation, 5:30pm
Post 16 Options Panel, 5pm and 6pm

This exciting and informative event will provide an excellent opportunity to learn about:

- A Levels
- Vocational courses
- T Levels – an exciting new qualification available in Barnet from 2023
- Apprenticeships
- Higher and Degree Apprenticeships
- University
- Career choices
- GCSE option choices

Register here:

Come along to our event and we will help you make the right decisions about your future.

Parents/carers are encouraged to attend with you.

Getting to Hendon Campus, Middlesex University

In school, children will be mixing with large numbers of other children in a confined environment, which increases the risk of germs (virus and bacteria alike) spreading. Vaccination builds children's immunity to protect against illnesses.

Vaccines stop influenza germs being spread, thus protecting the very vulnerable children and those in the wider community who may not have, or may not be able to develop, immunity.

Public Health and Primary Care Commissioning NHS England (London Region)

I will provide all the other text and photos in due course.

Thank you,

Mr A Easton (Executive Headteacher)

Barnet Libraries

As the new school year starts, we just wanted to remind you of the role libraries have to play, in supporting learning. As well as access to physical books and study space, libraries have a wealth of online resources available to families. The paragraph below can be copied and pasted to include in your newsletter.

Barnet Libraries offer a wide range of resources to support children's learning. It's free to join and free to borrow physical and digital books. Members also have free access to a wide range of digital resources. Libraries also run free after-school and school holiday activities.

For more information [sign up to receive Barnet Libraries Discover your Library Newsletter for Children and Families.](#)

For more information [click here.](#)

Free Parents Career Guide

Careers advisors and teachers

New 2022/23 FREE Parents Careers Guides - DOWNLOAD TODAY

We are delighted to announce that our brand new 2022/23 Parents guides to University, Apprenticeships and STEM are now available.

What can you expect from our parents' guides? This year's Parents University and Apprenticeship Guides will be our third edition and have been designed to help parents support their children in making informed decisions about their future and developing skills to help them succeed.

Apprenticeships Guide

Parents will benefit from content on topics including:

- Introduction to apprenticeships and sectors
- How to find the right apprenticeship
- Pathways into work, including T-levels, apprenticeships and university
- How you can support your child in deciding if an apprenticeship is right for them
- Apprenticeships vs. university
- Degree apprenticeships
- Opportunities available across 15 different sectors
- PLUS interviews and guest content from a diverse range of organisations including National Audit Office, Bristows LLP, Royal Horticultural Society, Morgan Stanley, British Horseracing Authority

University Guide

- How to apply to university and a guide to UCAS
- Personal statements and how to stand out from the crowd
- Student finance
- Alternatives to going to university
- Placement years at university

Pros and cons of going to university

- PLUS interviews and guest content from universities including Reading University, Liverpool University, Bournemouth University, South Wales University and Exeter University.

Bonus STEM Guide

This year's guide explores 10 different STEM subjects to help young people to understand more about careers in the field along with profiles on how each subject can help tackle an environmental challenge. This

comprehensive guide has been designed to showcase just how creative, exciting and rewarding a career in STEM can be.

Best regards,
 Success at School
 124 Chatsworth Road
 London, NW2 5QU

0-19 Early Help Workshops with BROOK

The 0-19 Early help team are fortunate to work alongside BROOK in delivering informative workshops for young people. The sessions allow young people to explore individual topics and allow them opportunities to share knowledge and learn new information. BROOK is the UK's leading sexual health charity - commissioned to offer a variety of services to support young people and professionals in Barnet.

Workshops delivered by BROOK

Workshop	Audience	Dates	Information
C Card Drop In	13yr – 25yr olds	28.09.22 3 - 5pm	Drop in to collect condoms and seek advice about sexual Health
Online Safety	9 years and above	20.10.22 4 - 5pm	Covering the pros and cons of the internet and social media, healthy and unhealthy online behaviour, and youth produced sexual imagery
Healthy relationships	9 – 11yr olds	08.11.22 4 - 5pm	Exploring what makes a healthy relationship, by looking at what we might like in a partner, whether certain behaviours are healthy or harmful, and what abuse might look like. We will discuss what consent is and how to communicate it, signposting to local support services.
Healthy Relationships	11 – 13yr olds	15.11.22 4 - 5pm	As above
Healthy Relationships	13 years and above	22.11.22 4 - 5pm	As above
C Card Drop In	13 – 25yr olds	08.12.22 3 - 5 pm	Drop in to collect condoms and seek advice about sexual Health

**For further information about the timetable or how to access these sessions please call:
 East Hub – 020 8359 3460 or 0208 359 2372.**

Homework Club

- Homework club is open for all students in years 7 – 11
- On: **Monday - Thursday**
- From: **3.10 - 3.55pm**
- In the **ICT room, in Building 5**

The Gresham Competition

The Gresham Competition: an oracy competition for Year 12 - entries by 15 November

Gresham College is launching a competition for Year 12 students in September 2022, to promote the art of communicating complex information in a clear, concise and compelling way. This year's theme is the environment and sustainability.

Sign up here to hear about the competition (and for other Gresham updates for schools): gres.hm/schools.
Read more here: gres.hm/competition.

The Competition will:

- support the development of oracy skills.
- help students with UCAS applications and job interviews.
- promote a deeper understanding of the environment.
- introduce students to the inspiring research of world-class academics.
- be an opportunity to present in front of academics and professionals.

How to Enter

Choose one of the following topics and please make a reasoned argument:

1. Who should be responsible for creating a better future environment for the next generation? How and why?
2. What should the UK government do about the environment that will benefit your generation?
3. Who should be most responsible for getting to Net Zero and why?
4. What's the greatest positive environmental change you expect to see in your lifetime?
5. What responsibilities should young people take on to address environmental/climate issues today and why?

Students will submit a five-minute, recorded presentation – the main focus should be the student speaking but can use images, graphs, or other visual props that help explain your points. Shortlisted candidates will then be invited to present again in person in London, and there will be three awards (including prizes for student and the school). You can enter the competition here gres.hm/entryform and upload the video here gres.hm/dropbox. Guidance and resources will also be provided to help students explain complex issues in a clear, concise, logical and engaging way.

Why Enter?

Benefits for Students:

1. Participating in the Gresham Competition will help students develop oracy and presentation skills useful for interviews and public speaking opportunities; it will also enhance CVs and UCAS applications.
2. The entry process is quick and easy, with entries filmed and submitted within 5 minutes. We are not judging the video quality – any camera phone will do.
3. Finalists will meet a panel of prestigious judges including Professor Myles Allen, the physicist behind Net Zero, and climate change expert Dr Jessica Omukuti.
4. Winners will receive cash prizes and medals: £250 gold, £200 silver and £150 bronze.
5. Since 2022 is a pilot year we expect fewer entries.

Benefits for Schools:

The schools of winners will also benefit with priority access to lectures, visits from Professors or senior leaders, and a certificate.

Key Dates

15 September 2022: Competition opens

15 November 2022: Competition closes

30 November 2022: Entrants notified

24 January 2023: In-person presentation at Gresham College (we will cover travel expenses).

Each finalist will have five minutes to present and five minutes for Q&A with the panel.

Three Gresham medals will be awarded (Bronze, Silver and Gold), along with finalist certificates.

Get in Touch

Please do get in touch with our team with any questions via schools@gresham.ac.uk.

With very best wishes,

Dr Wendy Piatt

Chief Executive Officer
Gresham College

Mental Health Crisis Helpline – Reminder

If you're in crisis and need to talk right now, there are many helplines staffed by trained people ready to listen. They won't judge you and could help you make sense of what you're feeling.

- **[Samaritans](#)**. To talk about anything that is upsetting you, you can contact them 24 hours a day, 365 days a year. You can call [116 123](#) (free from any phone)
- **[SANeline](#)**. If you're experiencing a mental health problem or supporting someone else, you can call
- **[National Suicide Prevention Helpline UK](#)**. Offers a supportive listening service to anyone with thoughts of suicide. You can call them on 0800 689 5652 (open 24/7).
- **[CALM](#)**. You can call them on 0800 58 58 58 (5pm–midnight every day) if you are struggling and need to talk. Or if you prefer not to speak on the phone, you could try the [CALM webchat service](#).
- **[Papyrus HOPELINEUK](#)**. If you're struggling with suicidal feelings, or concerned about a young person who might be struggling, you can call on 0800 068

Please [click here](#) to access helpful advice and support from the **NHS for teenagers and young adults** who need support with their mental health and are coping with bereavement.

[Shout 85258](#)- a free, confidential, 24/7 text-messaging support service for young people.

Support for Parents and Carers- advice and support for you if you're worried about a child or young person.

[Young Mind's Parent Helpline and Webchat](#)

Reminder: During school, students needing emotional support can talk to their Form Tutors and their Head of Year. The following members of staff are also available:

- **Mr C Martin, Deputy Headteacher (DSL*)**
- **Mrs L Cooke, Deputy Headteacher (DDSL*)**
- **Ms D Moustaka (Safeguarding & Inclusion Manager)**
- **Mr N Anemouri (Pastoral Support Officer)**
- **Ms M Henshaw-Devall (Safeguarding Officer)**

***DSL is the Designated Safeguarding lead.**

***DDSL is the Deputy Designated Safeguarding lead**

These open days provide a fantastic opportunity for prospective applicants to visit departments, colleges, meet current students, as well as tutors.

For more information about [admissions](#) and [open days](#). For any students for whom the cost of travelling to Oxford for the Open Days would be a barrier, please contact access@chch.ox.ac.uk to get support.

[Childline](#) – a free, private, and confidential service available for all young people. This can be found on ParentPay as we are a cashless school.

Please note that students should wear their normal school uniform, but are permitted to wear an additional colourful accessory; for example, colourful socks, hair accessories etc.

If you have any questions or would like to offer additional support, please contact Mrs Hammond, Assistant Head or myself, Ms Moustaka, Safeguarding and Inclusion Case Manager.
